

FamFest

Creating a Passport

A FamFest Passport is a paper handout for families that tells them which businesses are stops for the event.

- You can make your Passport as simple or as sophisticated as you'd like. Consider creating a map of your business district, highlighting the places to stop. Or, you can simply list the businesses. Below are two different examples of Passports.
- We suggest having a box or circle that businesses can stamp on the Passport for each stop. This makes the experience more adventurous!
- Some communities choose to offer drawings or prizes for families that complete their Passport.

FamFest Passport

Rapid City

Each stop will have an activity or Take and Make to take home and do as a family. Visit the Back to School Resource Fair at The Dahl Arts Center, where the first 50 Bingo entries will get a \$10 Downtown Rapid City Gift Card from Early Learner Rapid City. Return to the Dahl Arts Center for more fun and door prizes!
